A BILL ENTITLED

1 AN ACT concerning

2 **Washington Suburban Sanitary Commission – System Development Charge –**
3 **Exemptions**

4 **MC/PG 107–25**

5 FOR the purpose of requiring, rather than authorizing, the Montgomery County Council
6 and the Prince George’s County Council to grant exemptions from the system
7 development charge imposed by the Washington Suburban Sanitary Commission for
8 certain properties and projects located in Montgomery County; altering the method
9 by which the county councils establish eligibility for the exemptions; prohibiting the
10 county councils from requiring that an applicant for an exemption for a property
11 located in Montgomery County own the property for which the exemption is sought;
12 requiring Montgomery County to approve applications for the exemptions on a
13 first–come, first–served basis until a certain maximum annual limit is reached; and
14 generally relating to the Washington Suburban Sanitary Commission and
15 exemptions from the system development charge.
